STEAMworks @ TERC

How to be a STEM Mentor

For: Parents/caregivers of children in grades K-5

When: October 11, 2017   6:30 pm – 8:00 pm

Where: STEAMworks@TERC, 2067 Massachusetts Ave, 1st Floor, Cambridge, MA 02140

Cost: $15/participant

Does your family qualify for free and reduced lunch? Use promo code DISC_FRL.

Join us for an interactive workshop presented by **Moms as Mentors**® and learn why it's more important than ever to encourage children in science, tech, engineering and math (STEM).

We will teach you how to become a "STEM Mentor" in practical ways, regardless of your own experience with STEM. You will leave with confidence and resources to pass your confidence on at home.
